Subject: For Review - if you can't sleep

Hi Richard,

Welcome back!

I am not sure if you are trying to switch back to eastern standard all at once or not. If you are wide awake tonight, here are some items for you to review. If you want to hold off until tomorrow, that is okay too. We can look through them tomorrow.

Best,

Kevin

For you to consider:

1. Need your review - Email from me 1:33pm Friday - IOAA review/concurrence: OIG's Audit of EPA Fellowships _ Discussion Document.
2. Just an FYI – email from Bruce 5:24pm Friday -ORD Review of BLM Final Rule on Hydraulic Fracturing
3. Chat with Jennifer - Jennifer wants to chat with you tomorrow morning about PFAS/Kell and about IRIS. She'd like to talk about IRIS before the afternoon meeting with OCSPP.

4. Need your follow up - Email from Integrity.gov 7:53pm Sunday – Justina would like you to update something
5. Need your review Email from Jamie Lang – 10:07 Monday(today) – please review Response to OMB comments re: Comptox report to Congress
6. Completed - HABS request – you approved already – Thanks
7. Need your review - Email from Megan Maguire – 12:43pm Monday (today) - please review - Regional release on Cardiovascular Disease grant
 - a. Looks like you have asked a follow up question – thanks
8. Just an FYI - Email from Jennifer at 2:27 Monday (today) - Follow up on Brownfields meeting with Kell
